

Welcome!

We appreciate the trust and confidence you show by letting us care for your pet. We promise to treat your pet the way we treat our own—with love! Please let us know what we can do to make your visits to our hospital as helpful and comfortable as possible.

Why Entrust Your Pet to Us?

At Woodland West Animal Hospital we love pets! All of our caring staff members have multiple pets themselves and understand that pets today are important members of the family.

We offer complete life care for our patients. We provide your pet's preventative care, nutrition counseling, training recommendations, and your pet's advanced care, such as surgery and dentistry. We are equipped with sophisticated diagnostics and monitoring equipment, including Sevoflurane, the safest gas anesthesia available to veterinary medicine. We also have a surgical laser. Lasers cut tissue with a beam of light, which seals the nerve endings so there is very little pain post surgery. Lasers also seal blood vessels as they cut so there is usually no need for bandaging after surgery.

We have highly trained technical staff consisting of Registered Veterinary Technicians, as well as experienced Customer Service Representatives.

We understand that the treatment of your pet is a collaborative effort between you and our medical staff. We encourage you to take an active role and ask questions regarding your pet's health care. We welcome owner visitation to hospitalized patients and offer tours of the entire facility. Our goal is to help you provide the best quality of life for your pet. .

Woodland West Animal Hospital is committed to providing you and your pet the best possible service, advice and care.

Convenient Hours & Location

**7 Days a Week, 365 Days a Year
7:00am—8:00pm**

We are open 7 days a week, 365 days a year for your convenience. We understand that in today's busy world it may be difficult for you to find a convenient time to schedule a veterinary appointment.

We welcome drop-off exams. Just drop your pet off with us, at your convenience, and leave a number where you can be reached. Our veterinarians will get back with you to discuss the finding of your pet's physical exam.

Drop-Offs Welcome as early as 7:00am

Walk-ins Welcome as early as 8:00am
